Code	Title	Credits
HSCX 498	Health Sciences Capstone	3
General Electives		37

Program Description

- Continuing & Professional Studies

The BS in Health Services provides knowledge and skills for career paths in clinical and non-clinical roles. You will be prepared for roles that require critical thinking, data analysis, and leadership skills in contexts such as hospitals, clinics, insurance companies, pharmaceutical companies, research labs, or community agencies. You also will complete prerequisite coursework for entry into graduate programs in a variety of health professions.

Curriculum: 120 credits

- Continuing & Professional Studies, Accelerated Program
