Program Website (<https://www.jefferson.edu/academics/colleges-schools-institutes/life-sciences/degrees-programs/graduate-certificates/patient-centered-research.html>)

## Program Description

The Graduate Certificate in Population Health Pharmacy is designed to train students in the principles and methods of patient-centered outcomes research (PCOR) and comparative effectiveness research (CER). Students in the Program may come from clinical or scientific backgrounds.

## Learning Goals & Outcomes

Educate and train the next generation of health service researchers in the principles and methods of:

- Patient-centered outcomes research (PCOR)
- Comparative effectiveness research (CER)
- The certificate program comprise about one-third of the requirement for a Master of Science degree
- Degree candidates may also pursue certificates as part of their graduate curriculum
