Options for High School Seniors

- Bachelor of Science in Nursing (BSN) Traditional Program

Options for College Students

- Bachelor of Science in Nursing (BSN) Traditional Program
- Accelerated BSN Plus (ABSN+) - 1 Year Pathway (formerly known as FACT-1) & Accelerated BSN Plus (ABSN+) - 2 Year Pathway (formerly known as FACT-2) (for students holding a prior bachelor's degree in a non-nursing major)
- Master of Science in Nursing (MSN)
- Doctor of Nursing Practice (DNP) – Post Master's Entry
- DNP – Post Baccalaureate Entry
- Post-Graduate Certificate Program

Program Description

Jefferson's Bachelor of Science in Nursing (BSN) degree program offers an accredited prelicensure option that is a proven pathway to a successful nursing career. Jefferson graduates are recognized throughout the country as leaders in education, research, healthcare delivery and community service. Request information to receive a link to your personal website via email.

The BSN Traditional Track Program is for students with a high school diploma and 55 prerequisite college credits.

In addition, for students who hold non-nursing bachelor's degrees, Jefferson offers two accelerated pathways to the Bachelor of Science in Nursing:

- Accelerated BSN Plus (ABSN+) - 1 Year Pathway (formerly known as FACT-1)
- Accelerated BSN Plus (ABSN+) - 2 Year Pathway (formerly known as FACT-2)

Program Highlights

- Jefferson BSN graduates have been pursued by employers in the Philadelphia region and across the nation.
- Starting salary range for BSN graduates typically falls between \$50,000 to \$75,000 (salary.com)

Curriculum: 2 years, 67 credits

- Bachelor of Science in Nursing (BSN) full-time, two-year, traditional pathway, requires (55) approved prerequisite college credits
