Program Website (https://www.jefferson.edu/academics/colleges-schools-institutes/pharmacy/programs/doctor-of-pharmacy.html)

• Accreditation: Council for Pharmacy Education

Program Description

The JCP Doctor of Pharmacy (PharmD) curriculum prepares its graduates to provide patient-centered and population-based care that ensures optimal health outcomes to practice in diverse patient care environments and become valued members of healthcare team. JCP graduates will embrace life-long, self-directed learning.

Throughout the curriculum, faculty incorporate active learning, simulated patient-care experiences, and other strategies to facilitate the continued development and application of critical thinking and clinical skills. Team-based learning is also used extensively throughout the curriculum. The curriculum has been created vertically such that material learned in earlier years is further developed and built upon in the later years. Student pharmacists participate in interprofessional education and diverse co-curricular activities, and if interested, have opportunities for research and scholarly activities that contribute to their personal and professional growth.

The Accreditation Council for Pharmacy Education (ACPE) accredited the Doctor of Pharmacy program through June 30, 2026.

Learning Goals/Outcomes

- The knowledge, understanding and application of biomedical sciences, pharmaceutical sciences, social/behavioral /administrative sciences and clinical sciences
- The ability to think critically and problem solve
- Effective communication through written and verbal means
- The highest level of professional, legal and ethical behavior
- \bullet The professional acumen to identify θ analyze emerging health-related issues
- A working knowledge of how legislation, regulations and related programs affect the practice of pharmacy

Curriculum: 4 Years, 140 Credits

Course	Title	Credits
First Year		
Fall		
PHRM 510	Biochemistry	3
PHRM 512	Preventive HC and SelfCare Iss	2
PHRM 514	Pathophysiology I	3
PHRM 516	Pharmacy Practice I	1
PHRM 519	Healthcare Delivery Systems	2
PHRM 522	IPPE:HealthcareServiceLearning	1
PHRM 525	Immunology	3
PHRM 559	Intro to Pharm Practice Lab	1
	Credits	16
