Program Website (<https://www.jefferson.edu/academics/colleges-schools-institutes/rehabilitation-sciences/departments/occupational-therapy/degrees-programs/advanced-practice-certificates/autism.html>)

## Program Description

This advanced practice certificate offers registered and licensed occupational therapists advanced knowledge about Autism Spectrum Disorders (ASD) and skills for working with persons who have ASD.

- Courses are taught by experts in the field
- Four graduate-level courses (12 credits)
- Courses are designed to interface with our OTD program, and may be used for graduate credit toward a Doctorate degree
