Program Description

The MS in Occupational Therapy (MSOT) in East Falls is a program for students who have completed a bachelor's degree in any academic discipline. The curriculum follows a blended-learning format that includes an intensive weekend delivery.

Students attend on-campus class meetings eight weekends/semester (Friday and Saturday, generally every other weekend). Between on-campus sessions, students engage through distance education technology. The MSOT-EF program is completed in 2.5 years, including fieldwork.
