Program Description

The MS in Occupational Therapy (MSOT) in East Falls is a program for students who have completed a bachelor's degree in any academic discipline. The curriculum follows a blended-learning format that includes an intensive weekend (Friday/Saturday) delivery. Students attend on-campus class meetings eight weekends/semester (Friday and Saturday). In Year 2, the on-campus schedule changes to Thursday, Friday, and Saturday during the Summer I semester. Between on-campus sessions, students engage through distance education technology. The MSOT-EF program is completed in 2.5 years, including fieldwork.

Curriculum: 2.5 years, 83 credits
