

COMMUNICATION (ONLINE) (COMX)

COMX 204: Technologies of Communication

The social media course that's an essential component of the major. Students will consider communication technologies and how and what people communicate using those technologies. We'll examine the role of communication technologies in society and culture, with an emphasis on how they function in the information age. This will include both the social and cultural influences that have shaped the development of various emerging media, information, and communication technologies.

Credits: 3

College: Jefferson College of Humanities & Sciences

Schedule Type: By Appointment - 2 students, By Appointment - 4 students, Lecture, Online By Appointment 8 Week, On-Line

COMX 220: Speak to Lead in Digital Age

In this course you will learn to merge the basics of effective public speaking with visual technology, allowing you to make effective and professional quality presentations. You will intensively practice speaking in front of an audience. In addition, you will study the standards of professional presentation for different audiences. These skills will not only be useful in larger, formal public speaking settings, but also for small group and interpersonal communications, and for constructing, analyzing and criticizing claims, arguments and rhetorical techniques more generally.
