## **FIN 381: Independent Study in Finance**

This course is an intensive independent study of a chosen subject. The student is expected to read a substantial number of major works in the field, may be required to do primary research and must prepare a critical documented paper. Permission required. See the statement on Independent Study under 'Academic Policies.'

**Credits:** 3

**College:** School of Business

**Schedule Type:** Independent Study

## **FIN 411: Personal Fin Plann & Risk Mgt.**

In a seminar setting, drawing on the knowledge of the fundamentals and advanced concepts studied in finance classes, skills will be developed to become a better decision maker by learning how to integrate the various topics of finance. Through problem-oriented exercises, an appreciation of the importance and know-how of anticipating, recognizing and adapting to external forces in the decision-making process and organization will be developed. Finance as a functional area is dynamic, and emphasis will be placed on incorporating the most recent academic and practitioner literature, which is of theoretical and practical importance in the decision-making process. This challenging course is built around readings, finance cases, research papers and problem sets; and includes group and individual assignments and written and oral presentations.

**Credits:** 3

**College:** School of Business

**Prerequisites:** FIN 321 [Min Grade: D]

**Schedule Type:** By Appointment - 1 student, Lecture

## **FIN 412: Financial Modeling**

This course will cover several areas of developing and applying financial modelling.

**Credits:** 3

**College:** School of Business

**Prerequisites:** FIN 321 [Min Grade: D]

**Schedule Type:** Lecture, On-Line
