

FIRST YEAR SEMINAR (FYS)

FYS 100: Pathways Seminar

The Pathways Seminar provides the opportunity for all first-time freshmen to learn and practice strategies that will enable their success at Thomas Jefferson University and beyond. Students will create personal, professional, and academic goals, as well as success strategies for learning and career development. Each course section will engage with a specific theme determined for the entering class of that year. Through engagement with these themes, students will explore the role of the professional in the community and the world, and engage with the mission and goals of a Thomas Jefferson University education.
