**HRMX 498: HR Management Capstone**

This course serves as a capstone course in the Human Resource Management program. Students complete the SCPS Portfolio they have been assembling throughout their program. The portfolio provides students with an opportunity to look at the past, present, and future. Students reflect on personal growth and development during their program of study. Students also demonstrate ability to integrate knowledge and skills acquired throughout the programs by completing assignments centered around six key human resource management functions: staffing and recruitment, compensation and benefits, training and development, employment law, global human resource management, and consultancy to improve organizational performance. The portfolio concludes with a professional development plan wherein students identify goals for continued professional growth and lifelong learning. The capstone course brings together the student's educational experience to apply the knowledge and skills obtained throughout the major to address real-world business and organizational challenges in today's competitive workforce.
